

**DIVERGENT SOFA
MDS.SO.DIV**

The Divergent Sofa defies the ordinary. It fragments the standards and preconceptions of what a sofa looks and feels like. Through captivating geometry and faceted surfaces, the long and deep seat is assuredly soft, the intriguing backrest is conceived for different heights and body types, while the piping keeps the edges sharp. The mirroring metal structures offer a lightness to its volume. It's a celebration for those who don't fit in, the divergent ones.
